Reasonably priced

No extra fees

I had an excellent experience with Sri Lakshmi Learning Academy. The coaching centre offers reasonably priced classes with no extra fees. I attended in offline mode and found that they have more than 3 teachers, ensuring a diverse learning experience. Regular tests are conducted in class, which helped me track my progress effectively. The class size is greater than 10 and less than 50, allowing for individual attention as well as group interaction. However the coaching centre does not provide course mate...

Their teaching method and their manipulative phrases

(Sreesham) seemed to be

arresting. No revisions taken properly; much of the time is

wasted by either being delinquent to class or by doing

other works during class schedule.... Money is the

motivation. My compliments to their amazing and express-full

words at the beginning. so

stunning to hear!
